

Memory Loss Evaluation: First Follow-Up Visit

(Name)

Caregiving Issues
Caregiver is: _____

Cgvr resources:
1=best, 4=worst

1. Time _____
2. Skill _____
3. Help _____
4. Confidante _____
5. Money _____
6. Health _____

Cgvr stressors:

7. IADL _____
8. ADL _____
9. Cognitive _____
10. Embarrass _____

Information:

11. Adv Dir Y/N
12. Driving Y/N

HPI:

Additional history:

Additional ROS:

Laboratory, imaging:

Physical examination: BP _____ P _____ T _____ Wt. _____ lb Ht. _____ in

Diagnostic assessment: (cognitive impairment level, probable cause, comorbid conditions)

Recommendations:
Treatment:

Referrals:

- Neurology
- Neuropsychology
- Psychiatry
- Other _____

- Information:**
- Driving and Memory Loss
 - Living Well with AD
 - Advance Directives in Memory Loss
 - Understanding AD
 - Communication and AD
 - List of community resources
